

# **Project Scope Management**

## **Test Your Understanding**

1. Scope is:

- A. The requirements of a project
- B. The features and functions of a product
- C. The sum of the products, services, and results to be provided by a project
- D. A distinct, scheduled portion of work performed during the course of a project.

2. Project scope is:

- A. The features and functions of a product
- B. The features and functions of a service
- C. A component of the project or program management plan that describes how the scope will be defined, developed, monitored, controlled, and verified
- D. The work performed to deliver a product, service, or result with the specified features and functions

3. Scope creep is:

- A. The uncontrolled expansion to product or project scope without adjustments to time, cost, and resources
- B. The rapid development of project requirements
- C. The person who causes the most conflict in projects
- D. Slow velocity of waterfall projects

4. A project scope statement includes all of the following except:

- A. Project scope
- B. Test plans
- C. Major deliverables
- D. Assumptions

5. Product scope is:

- A. The work performed to deliver a product
- B. The approved version of a scope statement
- C. The features and functions that characterize a product, service, or result
- D. The work defined at the lowest level of the work breakdown structure

6. A work breakdown structure (WBS) is:

- A. A hierarchical decomposition of the total scope of work to be carried out by the project team
- B. A document that provides deliverables, activity, and scheduling information about each component of the project
- C. A mind map of project activities
- D. The sum of the products, services, and results to be provided as a project

7. An activity is:

A. A distinct, scheduled portion of work performed during the course of a project

B. A meeting that brings little value

C. A process for defining the deliverables for a project

D. A temporary endeavor undertaken to create a unique product, service, or result

Answers:

1. C.

2. D.

3. A.

4. B.

5. C.

6. A.

7. A.
